

# **FREEAXEZ USA™**

The Premier Low Profile Access Floor

## **Green**

- FreeAxez is permitted to be installed with non-plenum rated cabling. As such, FreeAxez unlike the competition, keeps the toxins found on the sheathing of plenum-rated cabling out of the food chain.
- FreeAxez provides re-use capability to allow older buildings to meet current and future technology and connectivity requirements for the modern office environment.
- FreeAxez is fabricated from recycled steel, and is 100% recyclable and reusable.
- FreeAxez is refundable via a 10 Year Buy-Back Program (see below).

---

### **What makes this product green:**

- Non plenum-rated cable permitted
- Reduces renovation impacts
- Post-industrial recycled material

### **LEED Credits:**

- MR Credit 1 - Building Reuse
- MR Credit 2 - Construction Waste Management
- MR Credit 3 - Resource Reuse
- MR Credit 4 - Recycled Content
