BuildingGreen.com

-  FreeAxez is permitted to be installed with non-plenum rated cabling. Unlike the competition, FreeAxez keeps the toxins found on the sheathing of plenum-rated cabling out of the food chain.
-  FreeAxez provides re-use capability to allow older buildings to meet current and future technology and connectivity requirements for the modern technology environment.
-  FreeAxez is fabricated with recycled steel, and is 100% recyclable and reusable.
-  FreeAxez is refundable via a 10 Year Buy-Back Program.

What makes this product green:

- Non plenum-rated cable permitted
- Reduces renovation impact
- Post-industrial recycled material
- Manufactured in USA

LEED Credits:

- MR Credit 1 - Building Reuse
- MR Credit 2 - Construction Waste Management
- MR Credit 3 - Materials Reuse
- MR Credit 4 - Recycled Content
- MR Credit 5 - Regional Materials

FreeAxez Buy-Back Program

For a period of up to 10 years, FreeAxez will buy back material from the original purchasing entity.

Made in USA
