

Master Format #09.69.33

NEW **MasterFormat** specification number and title:

09.69.33

The Construction Specifications Institute

Construction Specifications Canada

Low Profile Fixed Height Access Flooring

- Differentiates low profile systems like Gridd from traditional raised computer room floors (pedestal or grid system with 2' by 2' panels).
- Use 09.69.33 when wire management is the objective without underfloor air distribution.
